Tiger Babies Romp

When Mama goes out to hunt,
tiger babies creep away
from their den.

Tiger noses sniff.

Tiger ears twitch, twitch.

Tiger tails swish, swish, swish.

What's moving?

A SNAKE!

Tiger babies dash
through the tall grass.
Dash, dash, dash to . . .

A TREE!

Up, up, up tiger babies climb.

Tiger noses **sniff**.

Tiger ears **twitch, twitch**.

Tiger tails **swish, swish, swish**.

What's over there?
