"What do fireflies look like?" Miko asked.

"You'll see." Her brother, Toshio, held up his lantern. "I've brought this to put the fireflies in. We can watch them glow for a little while."

ら	ん	き	ぎ	じ	

Miko closed her eyes and tried to imagine the fireflies glowing in the lantern. Maybe she could bring them home, and they could shine in her room when she was alone at night.
